

# 2025 HORSESHOE CRAB HUSTLE 10k RUN & 1.5 MILE WALK

## SPONSORSHIP OPPORTUNITIES

The Horseshoe Crab Hustle is returning in 2025 as a 10k run & 1.5-mile walk hosted by Bethany Brewing to benefit the Delaware Center for the Inland Bays. The event begins and ends at Bethany Brewing and will primarily take place on the trails of FreshPond State Park. Registrants will not only enjoy a fall run/walk surrounded by the beauty of nature, but will have the opportunity to enjoy fresh brewed craft beers, tasty post-race fare, fresh shucked oysters, live music, raffles to benefit the bays, and lots of fun all while supporting the mission of the Center to protect, restore, and preserve the Inland bays. The Center will also have information tables about their various projects & programs, and learn about how to get on board with the bays.
